

FORCES ONLINE MISSION STATEMENT (INTENTIONS)

- To provide a professional website listing all the Armed Forces Community Organisations in UK and work alongside them to promote their services in order to ensure there is a choice based system for Veterans and that all areas representing Veterans is identified by service type and area.
- To provide County Based Support Pages in England, Scotland, Wales and Northern Ireland. With each country having a National office, and sub office relationships via our supporters. (i.e. other Veterans Organisations).
- To provide a minimum of 1 x VSC (Veterans Support Coordinator) per County, who will act as a go between the Local Area and HQ in Swindon (Soon to be Royal Wootton Bassett).
- To fundraise the £5,000 required, which will start The Forces Online Military Charity, and start the Welfare fund. A quick help fund people Veterans in distress (Topped up by the CIC overflow).
- To provide a valuable contact and sharing system for its members though the website, social media, the blog and mailing list, and local contact via the phone.

- To establish proper links within each community where Forces Online is present. i.e. Health, Local Authority, TV and Radio and News, external support, Employment, Welfare, Community Covenant, etc.
- To help, empower and support new organisations via association through our extensive contact system and sharing system, and form relationships with established organisations to form a Country-wide cooperative contact/broadcast system for Veterans issues, which could also be used by the collaborative organisations for breaking news, etc. The aim will be to provide autonomy within the Counties.
- To seek and provide funding sources for Local Veterans Areas (Counties) and help with raising funds for other Veterans Organisations via our own Military Charity.
- To develop the Forces Online CIC and Charity teams by effective management, training and development covering a diverse range of skills, across boundaries, supporting other statically based and national organisations.
- Any other things that will complement the good name of Forces Online
